Please add my comments in support of the Mayors Climate Protection Agreement. We will add these to the Website (*optional*): The Town of Los Gatos has a long history of environmental protection, including resource conservation and pollution prevention. One part of what makes Los Gatos such a special place is its unique physical environment, and its residents share a common vision of culture that is environmentally sensitive. The Town is proud to continue its environmental commitment with the signing of the U.S. Conference of Mayors Climate Protection Agreement
